Senator's Diamond Stolen.

SPRINGFIELD, ILL., May 19.—Senator George E. White was robbed of a very valuable diamond pen this morning. It was stolen from his room in the Leland House.

Punishment of a Physician.
Special to the Star.
INDIANAPOLIS, Ind., May 19.—The Committee on Ethics of the Indiana State Medical Society recommended that Jas. B. Beck, of Ft. Wayne, be suspended for one year and publicly reprimanded by the president for his assault on Dr. H. D. Wood, of Angola, yesterday. The Mayor of this city fined him \$31.40, in the police court today.

CAMPAIGN CLICKS.

Illinois Republican Convention at Springfield.

Gathering of Delegates in Nebraska and Minnesota.

THE ILLINOIS REPUBLICANS.
Special to the Star.

SPRINGFIELD, ILL., May 19.—A. M.—The State Central Committee met last night and decided upon Green B. Raum for temporary Chairman of the Convention. A resolution was also adopted excluding contested delegations from the floor of the convention till their cases are decided by the Committee on Credentials. The Blaine and Washburn caucuses appointed Conference Committees with a view to united action to-day, still adhering to the decision to demand admission for the whole 92 delegates.

It is estimated that over 4,000 strangers are in the city. The Grant men are now claiming 363 votes aside from Cook County, which is 128 more than a majority.

Washburne has sent from Portland to Senator McClellan, of Galena, a telegram to be read in the Convention announcing that he is not a candidate, and asking his friends to vote for Gen. Grant. The Washburne men resent the assertion that they are under Farwell's control.

The Grant leaders from Chicago say they will have at least thirty-six of their delegates seated.

A meeting of delegates elected by Senatorial Districts at the Palmer House was held yesterday. Robert Lincoln presiding, and Stephen A. Douglas Secretary.

A resolution was passed that "We submit our cause to the State Convention, and as true and reliable Republicans we will in good faith abide by its decision."

SPRINGFIELD, ILL., May 19.—About 11 o'clock the doors of the gallery were thrown open and the crowd rushed in with a yell and took possession.

The gallery is not large and not capable of containing the crowd sufficiently large to overwhelm the Convention. Previous to this the delegates had been admitted on presenting tickets.

SPRINGFIELD, May 19.—12:30 P. M.—The Grant and Blaine-Washburne delegations both held caucuses this forenoon. The Farwell House members afterwards walked in a body across the rotunda and Judge Touch and Arthur Dixon demanded admission. The doorman refused and the contestants retired in an orderly manner to the Senate Chamber. They soon broke up and took seats as visitors with other contestants in the galleries.

SPRINGFIELD, ILL., May 19.—At 12 o'clock the Convention was called to order by Mr. M. Jones, Chairman of the Republican State Committee, who called upon Rev. J. Nourse for prayer. Mr. Jones then nominated Gen. Green B. Raum for temporary chairman. Gen. Raum was elected, and the committee escorted him to the floor.

A TEST VOTE TAKEN AT 2:15 P. M., on the adjournment of the Convention, for Blaine and 349 for Grant, "was the relative strength of the contestants."

THE WORKINGMEN FOR THURMAN.
SAN FRANCISCO, May 19.—The Workingmen's State Convention have endorsed chairman for President.

LOMAHA, May 19.—Large numbers of delegates to the Republican State Convention left out to Columbus on last evening's train. Howard County has sent a solid delegation. Pawnee County, the last county to be held in the State, will probably elect Grant delegates to-day. State has been conceded to Blaine, but Grant men claim they will get at least 100 or probably three delegates.

MINNESOTA REPUBLICANS.
ST. PAUL, May 19.—An extraordinary interest is felt in the Republican State Convention to-day. The hotels are filled with delegates. The Presidential sentiment is divided between Windom and Blaine. No other candidates are mentioned. A letter from Congressman Donnelly, formerly for Blaine, declaring for Windom, adds greatly to his strength. The instructed and expressed publications of the delegates are Windom 114, Blaine 110, scattering 10. Since their arrival here, however, many delegates have changed, and Windom will have a large majority.

DESPERATE FIGHT IN COLORADO.
DENVER, May 19.—There is a desperate fight between the Blaine and Grant men in this State. Ex-Governor Rutt, who expects to be Postmaster General in the event of Grant's election, is leading the latter forces, and General W. A. Hornell, ex-Chairman of the State Republican Committee, is grooming Blaine. So far the result is doubtful, but Blaine is ahead on delegates in the County Convention already held. Figures stand: Blaine, 53; Grant, 40. Leadville is for Grant.

FISHING WITH A REVOLVER.
ST. JACOBS, ILL., May 19.—Two boys, Sherman Hays and Hy Wissore, were fishing yesterday and began shooting at their corks with an old revolver, when Wissore accidentally shot Hays through the body, killing him almost at once.

DIED IN HIS FATHER'S ARMS.
RUSHVILLE, ILL., May 19.—Augustus Branstol, aged 16, was accidentally shot and killed yesterday by a young companion while hunting. He merely reached home and died in his father's arms.

MURDER, OUTFRAGE AND ROBBERY.

SAN ANTONIO, TEX., May 19.—An Express special from Brownsville says: Yesterday morning at 2 o'clock seven armed men awakened Henry Bishop, at his room on the Elms, in Hidalgo County. He opened the door, when one of the party struck him across the head with a large knife, splitting his skull. After felling him they stabbed him eleven times, and then plundered the store of money and goods amounting to several hundred dollars. They also carried off all the books and papers. The thieves are supposed to have come from Mexico. They finished up their work by outraging the servant girl.

DYING FROM A RAT BITE.

MARION, IND., May 19.—Mrs. Nathan Coggeshall was bitten about three months ago by a rat through the fleshy part of the right hand. Three or four days afterward her hand began to swell and be very painful. She began to decline, and now her life is despaired of.

SUICIDE OF AN OLD LADY.

LA CROSE, WIS., May 19.—Mrs. Nutting, widow of Abe Nutting, aged seventy-five years, eleven miles from this city, and quite wealthy, was found in the barn on her premises yesterday with her throat cut, she having committed suicide. The cause is supposed to have been the recent death of her favorite son.

MRS. LUCAS STILL ON DECK.

DETROIT, May 19.—Kate Loringie, the female whose exploits among leading men in Jackson, Boston and Cincinnati are well known, was arrested Monday and given to a Boston detective, who started for the Hub with his prize. In Boston the police knew her as Louisa Sylvan, a particularly hard case, who jumped her bail in Boston where she was hauled up a while ago for blackmailing. In Cincinnati she sailed under the name of Mrs. Lucas.

HOMICIDE WITH A HOE.

RALEIGH, N. C., May 19.—George Jones, colored, whose wife had left him, yesterday followed her to the house of Hilliard Bryant, in Nash County, and, armed with a pistol and bowie-knife, ordered her to come out. Bryant went instead, and broke Jones' head with a hoe. He died at once.

LITCHFIELD, Ky., May 19.—Assa Bratcher, a man over seventy years of age, died yesterday evening from the effects of a fall he received on last Friday from his back porch. The old man was drawing a bucket of water and stooped down to pick it up, when he fell off the porch.

HORRIBLE DEATH OF A BOY.

DAVENPORT, IA., May 19.—Frank Brown, aged twelve, at Washington, Iowa, yesterday was leading a mule, when the halter chain became entangled about the boy and the mule ran, dragging the boy thirty rods over stones and mangle him into a shapeless mass, killing him instantly.

FATAL RAILROAD COLLISION.

NASHVILLE, May 19.—A freight and special train on the Nashville & Chattanooga Railroad collided near Antioch at 11 o'clock last night, damaging both trains slightly. Conductor James W. Gollishan, in charge of the special, jumped from the train, receiving injuries from which he died at two o'clock this morning.

REMARKABLE DEATH FROM CHLOROFORM.

At the prize drill at the Fair Grounds this afternoon it is thought the Porter Rifles or Chickasaw Guards will be the winning company.

WASHINGTON NEWS.

THE ADJOURNMENT RESOLUTION.

Special to the Star.
The Senate to-day referred the adjournment resolution to the Committee on Appropriations. If the committee ascertain that the prohibition bills can be pushed through in time, the resolution will likely be reported back without change of date.

DISCOURAGING TO LEAD.

The House passed the Agricultural Appropriation Bill this morning. The proposition to raise the salary of the Commissioner of Agriculture met with great depreciation in debate, so that no amendment to this effect was passed.

HON. WM. HUNTER IMPROVING.

WASHINGTON, D. C., May 19.—The Department of State makes the following official announcement: The reports concerning the illness of Hon. Wm. Hunter, Second Assistant Secretary of State, proved to be greatly exaggerated. It is understood that he is slowly recovering from a severe cold accompanied by fever, and will probably within a few days be able to resume his duties.

WALKING FOR WAGES.

The Pedestrians Pegging Away -- Hughes Heads the Herd, Clow Second, Sullivan Third and the Rest Trying to Reach the Runners.

Interest in the great pedestrian contest is increasing daily. Yesterday, afternoon and last night the mammoth pavilion was crowded with an enthusiastic audience.

Hughes is still in the lead, and in yesterday's walk increased the distance between himself and Clow, who persistently keeps after him endeavoring to gain first place. These two men are working hard, and it is thought by a good many that they will play out, and that Sullivan, who is the freshest looking man of the lot, will take the lead and keep it.

Bets are being freely made that Sullivan will take first money.

Charley Price, of London, gave an exhibition run of three miles yesterday afternoon, making the run in 17:23. In the evening he ran five miles in 29:43.

This is the fourth day of the great pedestrian tournament, and as the days pass the interest increases.

This morning eleven men stepped out from the scorers stand at the word given to "go."

Hibbs, who left the track Monday, donned his costume this morning and started again with only fifty-one miles to his credit, but he might possibly, by very hard work, get a place. He is probably only practicing for some other race.

Hibbs made the first mile to-day in 6 minutes and 45 seconds.

Hughes leads all others at noon, being 11 miles and 5 laps ahead of Clow, who is a good second.

Hughes keeps right on to Clow's heels continually, and both keep on a dog trot. Hughes' idea, we understand, is to beat Albert's record of 427 miles in 75 hours, which was made at Philadelphia. His chances for doing this are very good.

Many are positive that Hughes will win the race sure, but as Sullivan remarked this morning, "the road is a long one yet, and the race belongs to nobody until the end of the race is reached."

Hughes made the first five miles this morning in forty-three minutes.

Harrison shows up to-day in fine trim and is adding mile after mile to his score at a lively rate.

Little Sullivan, too, is looking well and running alternately. He is third in the race and seems confident of bettering his position.

He is a great favorite with the spectators. This is probably owing to the fact that he is good natured, and gets off so many little jokes while walking.

Chamberlain, who holds fourth position, says he is in better condition than he was yesterday, although he don't appear to be. He seems to be trying to hold fourth place from Vint, who is looking well and is only two miles behind Chamberlain.

Magill is also in better trim to-day, and is doing better work than he has yet done.

Krohne came to the conclusion yesterday that he could not compete with the runners, and failed to take the track this morning. Music to-day at 1 o'clock.

At 3 p. m. the following was the

CHATTANOOGA EXCURSIONISTS.

The Bifurcated Delegation From Our Southern Suburb.

An excursion train from Chattanooga arrived here at 7 o'clock last evening with a double delegation from that lively city. The first or excursion proper consists of a party some one hundred and fifty strong, organized by Messrs. John C. Griffiths and Newell Saunders, two leading citizens of Chattanooga, and under the general charge of Mr. Charles D. McGuffey, formerly of this city, but at present the resident Chattanooga attorney of the Southern Railroad, where he is highly esteemed as a lawyer and a citizen.

This party comes to Cincinnati primarily to attend our great Musical Festival, but will enjoy the other attractive features of the city during their stay, which is to be protracted to Friday. Attached to the special excursion train was a car containing the Mayor, Councilmen, and other city officials, who come here to officially confer with the Board of Trustees of the Cincinnati Southern Railroad with reference to the formalities requisite for the final step in paying over the \$100,000 subscribed by the City of Chattanooga in aid of the Cincinnati Southern Road.

This amount was subscribed in 1874 in its municipal bonds, to be issued and delivered when the Trustees of the railway should furnish satisfactory evidence that they had let the contracts and placed the line under construction from the Kentucky line into Chattanooga. The ground has been taken possession of in that city and work is in progress in the erection of the necessary terminal facilities, and the contract has been let for the five miles between Boyce's and Chattanooga.

Official cognizance of these facts which this visit is intended to give the municipal authorities of Chattanooga is all that remains to enable the \$100,000 payment to be made as subscribed. The Mayor and Aldermen met the Southern Railroad Trustees this morning at 9:30, and the necessary formalities were accomplished; after which they were escorted to the Merchants Exchange, where Colonel Maxwell introduced them to our citizens.

Following are the Chattanooga officials: Mayor, H. F. Temple; Aldermen, R. M. Bacon, James L. Wassman, W. L. Dugan, J. B. Glickson, Edward Doud, F. E. Tyler, H. M. Wilcox, W. C. Hodge, C. C. Howard and J. R. Harris; R. G. Jones, Auditor; George E. Deunbar, Treasurer; George M. Sherwood, Recorder; W. T. Hope, City Physician; W. H. DeWitt, Attorney; J. P. Bouscaren, Engineer, and John J. Lowry, Marshal.

At the meeting of the Chattanooga municipal officers with the Trustees of the Southern Railroad this morning, at the South in Railroad office on Vine and Baker streets, the former offered their views in general, and presented these finally in a resolution expressive of their readiness to officially conclude the \$100,000 subscription.

The Trustees, not having a majority of the board present, postponed a vote on the matter till their regular meeting on Saturday next, and will then conclude the formalities for receiving the Chattanooga donation. We understand that all parties were pleased with the interview.

There are six trains of railroad now entering in Chattanooga, and two additional lines of narrow-gauge contemplated for the Tennessee River, in addition, is nearly as long as the Ohio, which can not be surpassed by any combination of men.

Chattanooga has lately received a delegation from Cincinnati and shown them Mission Ridge and Lookout Mountain, where, with a glass, you can almost see the State Hall of Cincinnati. They wanted also to show them sites for rolling mills, blast furnaces and corner lots. They also showed hills for such elegant homes as are abundant around Cincinnati.

Our people appreciate the action of your road in reducing rates, and hope it will greatly augment its revenues.

The following, received from our Chattanooga correspondent, explains itself:

SPECIAL TO THE STAR.
CHATTANOOGA, May 19.—The general sentiment of the people here will resist any effort to secure the issuance of bonds to the Cincinnati Southern Road until every condition of the original ordinance has been observed to the very letter, though no such effort is seriously apprehended.

Some few of our people have been unduly alarmed by the "free blowout" which the City fathers are receiving at the hands of the Railway Trustees, but the majority understand it only as an effort to bridge over the bloody chasm created by neglect on a previous occasion.

RAILROAD REDUCTION.

The old reliable and popular Kentucky Central Railroad have reduced the single fare to Lexington to \$1.50 from now until the 6th of July. These rates will remain during the Democratic Convention, Millers' Exposition and other attractions in Cincinnati.
